

Letter of Authorization

May 11, 2022

To whom it may concern,

We, Nanometrics Inc. ("Nanometrics"), a Canadian corporation, having our principle place of business at 250 Herzberg Road, Kanata, Ontario K2K 2A1, Canada do hereby authorize Beijing Cesmovy Science and Technology Co., Ltd ("Cesmovy"), a company duly organized under the laws of the People's Republic of China, having their principle place of business at Room A423, Shunhe fortune building, No.55, south road of west 3rd ring road, Fengtai District, Beijing city, People's Republic of China, to resell in the People's Republic of China seismic goods and services for which Nanometrics is the manufacturer or producer for the 360s GSN Broadband Seismograph Project at Department of Earth and Space Sciences, Southern University of Science and Technology. Nanometrics is the manufacturer or producer of the seismic equipment, which Cesmovy will purchase from Nanometrics.

This exclusive authorization is provided in connection with Southern University of Science and Technology 360s GSN Broadband Seismograph with the following conditions:

- The provisions, rights and benefits of this agreement shall be deemed personal to Cesmovy and shall not be sold, assigned or transferred in any manner without the consent in writing of Nanometrics. Any violation of these stipulations shall be just cause for termination of this agreement.
- Cesmovy is an independent organization with no authority to bind Nanometrics. Nothing herein shall be construed as establishing the relationship of principal and agent between Nanometrics and Cesmovy.
- Cesmovy has no authority to incur any obligation or to make any contract on Nanometrics' behalf.

Please do not hesitate to contact us should you require further information.

Sincerely,

John Hunt
Vice President and GM, Seismology Division
